COVID UPDATE

We currently have 13 confirmed cases of Covid throughout the school. Please keep testing your children regularly and if they display any Covid like symptoms (even if the Lateral Flow test is negative), please arrange a PCR test for them and err on the side of caution by keeping your child at home until you receive the result.

Government guidance states that if there is a confirmed case of Covid within a family, other children can continue to attend school. We would ask you to exercise your judgement on this as we are a small school with limited space and this week has proved how quickly and easily the virus can spread.

The Local Authority have asked us to advise you that if you or anyone in your family attends a gathering/event with a large number of other people, it is advisable to do a Lateral Flow Test 5 days later.

We are very grateful to you all for your continued caution with regard to this virus.

PARENTS EVENINGS NEXT WEEK

If you've not yet made an appointment, please get in touch with your child's teacher. The meetings (virtual) are a good opportunity for you to learn how your child has settled into their new class.
