COVID UPDATE

There have been 3 new cases of Covid in school this week. Thank you for your continued vigilance and regularly testing your children. Your support of the school in every way this half-term has been really appreciated by us all.

We hope that half-term will provide some respite at the start of the next half-term, but are under no illusions that it may be a long, hard winter!

We are very proud of all the children in school and are always pleased to hear what they do outside school too. In the past week, Hugo A spent at day with Bear Grylls as one of his Unsung Heroes and even made it on to the local TV news! Hugo raised the alarm when an accident occurred at home and was praised for his bravery and quick action. Layla K has been growing her hair for some time and has now had it cut and donated it to the Little Princess Trust in addition to raising £240 for the Trust. Well done to both of you!

EYFS ADMISSION 2022

We would be grateful if you could spread the word to your friends and on your social media that we will be offering private appointments for anyone who has a child due to start school in September 2022 who may be interested in sending their child here or is intending to send their child to Hallaton. Applications for new school places need to be made no later than 15th January 2022. Parents should contact the school directly to make an appointment.

SCHOOL PHOTOS

The photographers will be here on Tuesday 26th October to take your child's school photo – (a great Christmas present for relatives!). You may wish to put a hairbrush/comb in their bag so that they are spic and span for their picture. Can they also wear school uniform please.
