NEWSLETTER 20th SEPTEMBER 2019 **(Sent by Parentmail only from this week)**

Brilliant news! For the fourth year in succession, the school has achieved the School Games Gold Award for our sporting achievements. Well done everyone!

PARKING

We do understand the difficulties of parking in the village at drop off and pick up times, which is currently not helped by all the building going on nearby. However, can we please ask that you NEVER park on the corner in front of the church gates, as this blocks the road for other traffic to pass through the village. Cars can usually get by, but not lorries, tractors or emergency vehicles. The Bewicke has very kindly said their car park can be used and we would urge you to take advantage of this offer.

MEDICINE IN SCHOOL

As we approach the season of bugs of all kinds taking hold, can we remind you that if your child is to have any medicine at school, from Calpol to prescribed medication and inhalers, you MUST complete an administration of medicine form available from the office. This is to safeguard everyone, from our staff who may administer medicines on a voluntary basis on your behalf to ensuring your child should be taking the medicine in the first place! In summary, no child should have medicine in school of any kind unless the relevant form has been completed.

LUNCH/SWIMMING MONEY

Some payments are still outstanding for the above. If you have not yet paid for this half-term, could you do so next week please. Lunch £2.25/day; Swimming £4/week. Thank you.

FLU IMMUNISATIONS

Attached to Parentmail is a letter regarding the flu immunisations which all children in the school will be entitled to. Further information will be sent shortly, but parental permission has to be given electronically this year.

PARENTS' EVENINGS

Also attached is an appointment request form for our Parents' Evenings which are coming up next month. We cannot guarantee you will get your preferred time, but will do our best to be as close as possible. Please return your form to the office as early as you can.

Y6 APPLICATIONS FOR SECONDARY SCHOOL PLACES

A reminder that the closing date for applications for secondary school places is THURSDAY 31ST OCTOBER.

SPORT

- We are collecting Team GB stickers from Aldi – please help us complete our poster so that we can have a free sports kit!
- **RUTLAND CROSS COUNTRY – FRIDAY 27TH SEPTEMBER -Road Closure**
Please note, the road between Oakham and Whitwell is currently closed and will be closed on this day. There are detours in place so please take this into consideration re your travel time and ensure you have added in extra time for the detour. You may need to travel via Manton and Edith Weston.

After many years, the after school dance class at the Stenning Hall will no longer be running. We would like to thank Graham Fletcher for running it for so long.

FROM THE FRIENDS

Thank you from everyone at school for your tremendous support and generosity

The poster features a green background with a dark grey section at the bottom. At the top center is the logo for 'friends OF HALLATON SCHOOL'. Below the logo, the text 'PROJECT PLAYGROUND CLEAN UP' is written in large, bold, white letters. Underneath, the date 'SATURDAY 28 SEPTEMBER' and time '10AM' are displayed in white and green. A short paragraph at the bottom reads: 'WE NEED YOU to help us clean up the back playground and the rectory garden so we can start Project Playground. Everyones help would be very much appreciated!'

PROJECT PLAYGROUND

The Friends of Hallaton Primary School would like to introduce "Project Playground".

Over the next year we are hoping to raise enough money to renovate the back playground and the rectory front garden.

These two spaces are big areas, and are currently un-usable. We have started to put make a plan of how to make these areas usable and fun for all children.

If you, or anyone you know would like to help (or able to supply goods or services) please get in touch with a member of the Friends team or speak to Mrs Riley.
