TEAM

Dear Parents/Carers

The Friends team urgently require your help! As you are aware 'The Friends of Hallaton Primary School' is a voluntary group that helps raise funds for the school. All the money raised goes to the school to help with extra expenses which are not included in the school budget. In recent years we have (with everyone's help) raised money to pay for new school supplies, Christmas Parties and playground equipment for the children.

Unfortunately, Sam White and Lissa Anderson have had to step down due to personal circumstances. In order to keep running efficiently we desperately require some new members. We will need a new Secretary and a Treasurer, but any help you can offer would be fantastic. It works out about an hour a month with a few extra hours around Christmas.

We appreciate everyone has super busy lives and it's hard to fit our current commitments into the day, but without Friends the School will hugely miss out on the support and extra funds that benefit all our children. Any time and help you can offer will make a massive difference. Meetings include coffee, a good catch up, usually cake and children are more than welcome too. If you think you would be able to help us out please speak to Gemma Wood, Jo Darby or Claire Farrar.

Please join us in the School Hall on Wednesday 29th January at 9am. Any help you can offer will be hugely appreciated. If you can't make the meeting but are still able to help please let us know. If we have enough interest and it would suit more people we will also look at holding an evening meeting!

Thank you all for your continued support.
