

Collective Worship Questionnaire

Hallaton C.E Primary School

As part of the school's ongoing evaluation of our status as a church school it would be very helpful if you could spend a few minutes considering the following questions. Please return this form to the school office.
Thank you for your support.

<p>Have you attended any whole school/church or class assemblies (Collective Worship) over the past few years and if so did this help you to feel part of our school 'community'? What you enjoy most about them and why?</p>	
<p>We are lucky to be able to hold our collective worship in our parish church, what do we gain from this and how does this coming together in the church benefit everyone? How does the location affect the assembly?</p>	
<p>What do you think is the most important part of collective worship for children and what do they learn from it?</p>	
<p>How important is our school's Christian ethos and is this important to you as a family?</p>	
<p>Do you feel the pupils and congregation engage with the ideas and teachings of our Anglican traditions?</p>
