THANKS FROM THE JUBILEE FOOD BANK

We've just received the following message and photos from the Jubilee Food Bank in Market Harborough:

Good Morning,

I am writing to say a heartfelt thank you for your donation to the Jubilee Foodbank at Harvest time. Your support is very much appreciated.

Our Foodbank has seen an unprecedented rise in usage by local families and individuals who have found themselves in food crisis this year. We rely entirely on the generosity of local donors for food and monetary donations. Prior to Harvest each year, we notice a substantial dip in our stock - your food will go a long way to ensuring that we do not run out of essential items during lockdown.

I would be grateful if you would share this message and the attached photos with those within your organisation who have supported us.

With best wishes,

Emma Fletcher
