

## HALLATON C OF E SPORTS PREMIUM FUNDING APRIL 2019 - MARCH 2020

Since September 2013, funding has been allocated to all maintained and state sector schools with 17 or more primary phase children at a rate of £8,000 per school plus £5 per child on roll. In 2019/20 the school received £9963.

The funding must be used to improve the quality and breadth of PE and sporting provision. At Hallaton C of E Primary we have used the money to:

- Buy into the Schools Sports Partnership organised by Rutland County Council and to pay Cross Country subscriptions
- Use a qualified PE teacher to deliver the sports teaching to our children
- Provide resources and training for staff
- Participate in sports competitions and increase participation for all children in PE and games
- Pay for transport to competitions and sports development activities
