27TH NOVEMBER 2020

As Leicestershire faces a Tier 3 Lockdown from next week, we'd like to thank you for continuing to socially distance and wear face masks when coming to and from school; we really appreciate it. Year 6 have made some lovely posters reminding us about Hands Face Space which are on the front

The Government has asked all schools to ensure they have up to date contact details for parents. Unfortunately due to Data Protection, we are no longer able to send out copies of the contact details we hold on file for you to check. We would really appreciate it if you could let us have current home, mobile numbers and email addresses so that we can check them against our system. **A form is attached for you to complete and either return by email to the office or complete by hand and return.** We understand this is something else for you to do, but it really is important we can contact you easily in an emergency or at any other time and we do find contact details change and we've not been told.

railings.

With the colder weather, can the children please have a warm coat in school during the day.

Flu immunisations will take place in school next Thursday 3rd December and the children will be shown videos early in the week so they know what to expect.

Christmas is rapidly approaching! The children were asked to design some Christmas cards for the Benefice – they are now on display in the church if anyone would like to look at them.

If the children would like to send Christmas cards to their friends, our school Christmas Post Box will be available from 1st December. **Could we ask that the year group is put on the envelope please, as it can lead to confusion when there are a number of children who share the same name!** The box will be emptied once a week to allow for quarantine time.

Also attached is a poster giving details of Santa's Sleigh Ride through local villages in early December in aid of the 1st Welland Valley Scouts – Rudolph will be present too!
