Dear Parent/Carer

I hope you and your family are well and keeping warm on these chilly days.

It was great to meet some of our families at the coffee morning on Wednesday. I found it helpful in furthering my understanding of the school community. It was evident how committed our families are to the success of Hallaton and we discussed ideas for things we could improve.

Many of the children got to experience different sports this week including football, swimming and gymnastics out of school. The staff and children have told me how much they enjoyed the events. I am keen that we continue to provide these enrichment opportunities for the children as I know how much they gain from them.

I wish you a wonderful weekend and look forward to seeing you all on Monday.

Best wishes,

Mr McKenzie
