Loughborough Brick Festival - The Loughborough Brick Festival is an exciting celebration of all things LEGO, but it isn't just about fun – although it is absolutely packed full of that too! Brick Festival events also invite visitors to explore a range of STEM subject skills through the medium of LEGO bricks. How do you become more interested in Science, Technology, Engineering and Maths? By understanding them. And how do you best understand things? By having fun while learning. LEGO is the perfect tool for developing new skills, exploring new ideas and having new adventures. www.BrickFestivalEvents.com
