Oak Class have been learning all about the classic tale of Little Red Riding Hood. The children have shown great enthusiasm while exploring the story, and it's been wonderful to see their imaginations at play. They have also been busy creating some special crafts in preparation for Mother's Day.

Beech Class has been very busy during British Science Week. They have engaged in some exciting science activities, including the fun project of making slime! In addition, the class has been exploring the fascinating history of William the Conqueror.

Maple Class had a hockey session with Anthony from Market Harborough Hockey Club. The children had a fantastic time practising their dribbling, block tackles, and passing skills, and the highlight of the session was undoubtedly learning the 'squeeze ball' technique!

Willow Class. Our mysterious blue plants have started growing out of control in Willow Class, will they take over the school? The children have been working hard on their suspense writing skills. As part of a project to create and publish a class book, they are showcasing their imagination through short stories, and their enthusiasm is truly infectious.
