**Roof Works** - At long last work on the school roof will commence from 27th April. We expect the works to take up to 8 weeks, but we are keeping our fingers crossed that it could be completed even sooner if the weather is kind to us!

**Maths calculations** – Please see the Calculations policy on the website. The calculation policy is divided into four sections: addition, subtraction, multiplication and division. At the start of each section, you will find an overview of the progression of skills. Calculations involving decimal numbers and fractions are included. The calculation policy follows the same concrete, pictorial, abstract approach as our main schemes of learning. Where appropriate, sentence stems and key questions are included alongside the key representations.

**Breakfast Services @ Hallaton Church** - Thank you to everyone who attended our inaugural breakfast services. It was lovely to welcome so many people. We have reviewed what worked and what didn't and now have a plan for the future. It will be a simple breakfast (bacon butties) with newspapers, held at the back of the church. It will be interspersed with a few prayers, a reading, and one or two hymns and we will remain seated throughout. It will take place on the second Sunday of each month, except November when we will hold a Remembrance Service. The services will start at 9.30am the dates can be found on the school website, under News and Events.
