ALL ANGELS AFTER SCHOOL CLUB – TEXT/WHATSAPP BOOKINGS TO 07511512851

BREAKFAST CLUB – 8.00 – 8.45 Email: office@hallatonprimary.leics.sch.uk

Dear parents/carers,

It's been wonderful to welcome you all back at the start of a new year. Children have been settling in well with their new classes and teachers. We hope to welcome you all next Tuesday after school.

This week we have been concentrating on getting to know each other and behaviour expectations. Teachers have been carrying out initial spelling assessments before homework which will be coming out for years 1-6 next Wednesday, along with maths.

Each class have been busy preparing a new display for our school hall on one, or more of our Christian Values. The children have had some fantastic ideas and we hope that they will be ready to display by the end of next week.

Children should all have a reading book this week; please try and read with your children daily to maintain our high standards of reading attainment.

On Thursday, I discussed with the children our Pupil Teams for the year. All of our Year 6's have volunteered to be Sports Leaders, which is fantastic. Our Year 6's will also be taking it in turns to lead the school council. One of the first projects will be to design a logo for our Schools' Collaborative Group. They will also be leading the initiative for our Anti Bullying Award. Voting for class representatives will take place next week.

Willow will be leading the Green Team and Archie the Worship Team. Forms to sign up and volunteer for these pupil teams are available from Mrs Stevens. The Green Team will be leading the project for the Food for Life Award; we are aiming for bronze this year. Please encourage your children to take part in these teams, as I am keen that the children are involved in the improvement of the school. As parents and carers, if you would like to be part of any of these teams, please get in touch.

Have an enjoyable long weekend.

Best regards,
Claire
Mrs Claire Stevens

Headteacher

Data Collection Sheets – Your child has come home today with this form; it is very important that the school holds the correct information. Please can you check the data and make any amendments on the form and return to the school office next week. Many thanks.

Medical Requirements – As part of our commitment to the safety and wellbeing of all our pupils, it is vital that we are kept up to date with any medical needs and changes in medication for your child. If they require any medication during school hours, please ensure that you fill out a medicine form. You can easily download this form from our website, or if you prefer, you can request one directly from the school office.

After School Club – Please be aware that after school club does not run on a FRIDAY.

Sports Clubs – Premier Education will be running a Football and Basketball club this term, but we feel it would be more beneficial for the children to receive specialist football training. To kick things off, we have arranged for Luke from Leicester Elite AP to come in and conduct a football taster session next Thursday after school. This will be a fantastic opportunity for the children to experience focussed coaching and enhance their skills. If the session is well-supported, Luke will be running a club for the rest of the year.

We encourage all students to participate and take advantage of this wonderful opportunity, don't forget to sign up by emailing the school office. It promises to be a fun and engaging session for everyone.

Shed update - I would like to extend a huge thank you to Will Vaughan for being the driving force behind building our new school shed. We're also incredibly grateful to Richard Howe and Dasha Semchuk for their valuable assistance.

Although we have made significant progress by completing the base and floor, we still need a helping hand to raise the shed walls! It shouldn't take too long now that the foundations are down, and it would be fantastic to gather a work party for this task either at the end of a day or at a weekend.

If you're able to donate some of your time and join us in this effort, please let Hetty know. Your support would mean the world to us.

Dates for the Autumn Term:

26th August – Term Starts

1st Sept – Meet the teacher @ 3.15pm

2nd Sept – Send coffee morning @ 8.45am
