Dear parents and carers,

Many children have signed up to help develop and improve our school and be part of our Pupil Teams; Green Team, School Council and Worship Team. We are collating forms and will be starting meetings the following week.

Again, we have achieved Gold Award for our excellent Sports provision during and after school. Thank you to Core Dance for their partnership and expertise. Having achieved this for three years running we will now be aiming for our Platinum award next year!

The Football Taster training session on Thursday with Leicester Elite AP was a big success with half the school attending! If you are keen for your child to attend going forward then please look out for the sign up details in an email sent this afternoon.

Thank you to those parents who were able to attend Our Meet The Teacher sessions after school on Tuesday, I hope that this was helpful. We will hold this every term.

If you were unable to attend and would like to know what your child is learning, then please get in contact to arrange a meeting or check out our Curriculum Page on our school website. This is being regularly updated with our Learning Organisers – this

shows the knowledge the children are learning as well as the relevant vocabulary.
