Dear parents and carers,

Thanks to Next for the wonderful new sofa and coffee tables for our foyer which really improves our homely atmosphere.

On Monday, Katie, a representative from the Food for Life Award came to visit us. Some of our Green Team became Lunchtime Detectives and shared their findings with Katie and me about what children were eating, the noise levels in the hall and the dining experience. We now have an action plan to improve the lunchtime experience and make it healthier...including learning how to use a knife and fork properly. Katie also led a Whole School Assembly on Sustainable and Health Food.

A polite reminder that we are a nut free school due to allergies so please make sure your child does not bring any in their lunchbox.

Thank you to those of you who attended Parents Evening on Wednesday. Please let us know if you need any more information about what your child is learning in school or how they are progressing – our door is always open.

Next Friday, we are visiting a local farm in the morning, which will be a termly trip to experience life on a farm, learn about the seasons and understand where our food comes from – part of the Farming Initiative programme. In the afternoon, we will hope you will be able to join us in the church for our Harvest Festival.

Have a lovely weekend!

Best regards,

Claire
