Dear parents and carers,

We have had a wonderful day today, understanding about the celebration of Diwali and reflecting on other celebrations that also celebrate light banishing the dark. The children have been taking part in lots of different activities including; designing and creating Rangoli patterns, using percussion instruments to make Indian celebration music (with a pentatonic scale), Bangra inspired dancing and cooking (and eating!) samosas. They have also been learning about the story of Rama and Sita.

Willow Class, have been taking part in Bikeability this week, both parents and their instructor have noted how resilient and responsible they have been – well done! We hope that this will encourage them to get out on their bikes – safely! Any feedback let me know.

Good luck to our Cross Country team tomorrow and thank you for giving up your Saturday morning to be there!

Lastly a big thank you to Louise Thurman, our Parent Governor for the last four years, who has been an invaluable member of our leadership team and played a crucial part in driving improvements forward.

Have a lovely weekend.

Best regards,
Claire
